# Our Services

## Freight Forwarding (Air & Sea Cargo)

We provide reliable and cost-effective international freight forwarding services through air and sea. Our expertise covers containerized cargo (FCL/LCL), bulk shipments, and time-sensitive air freight. We manage every stage — from pickup and documentation to customs clearance and final delivery.

## International Trade Facilitation

We act as a bridge between Nigerian exporters and global buyers, ensuring transparency and trust in every transaction. Our role includes market linkage, buyer verification, shipment coordination, and export promotion, thereby enhancing Nigeria's visibility in the global marketplace.

## Export Documentation & Customs Clearance

We handle all aspects of export documentation with precision and compliance, including Form M, SONCAP, NXP, certificates of origin, and shipping documents. Our professional customs team ensures a smooth clearance process that saves time and prevents costly delays.

## Value-added solutions

We go beyond logistics to offer value-added services that enhance the overall customer experience. Our personalized support ensures every client receives dedicated attention, while our commitment to transparency builds trust at every stage — from quotation to delivery.

## Warehousing & Packaging

Our modern warehouses offer safe storage, consolidation, and packaging of goods prior to export. We provide standardized and customized packaging solutions that protect products and meet international trade requirements.

## Door-to-Door Delivery

Through our network of global partners, we provide door-to-door delivery services, taking the stress out of shipping for our clients and ensuring goods reach their destination efficiently.

## Logistics Consultancy

We offer expert logistics and export advisory services, helping businesses navigate the complexities of global trade. From cost optimization and route planning to compliance and documentation, our consultants provide practical solutions to enhance efficiency and profitability.

## Project Cargo & Special Handling

We specialize in handling oversized or high-value cargo, including machinery, industrial equipment, and construction materials — with tailored logistics plans to ensure safe and timely delivery.

# Achievements

In the past five years, VOULTECH KONSULT NIG LTD has facilitated the export of over **10,000** containers of Nigerian goods to international markets, including:

- 01 Foodstuff
- 02 Woods & Solid Minerals
- 03 Cosmetics
- 04 PET Flakes

And other locally manufactured products.

This outstanding track record highlights our capability in handling large-scale logistics while ensuring secure and timely deliveries.

# Achievements

We have built a reputation for excellence, reliability, and innovation in the freight forwarding and export industry. Our commitment to professionalism and customer satisfaction has translated into measurable success and industry recognition.

## **Export Milestones**

We have successfully facilitated the export of over 10,000 containers of Nigerian goods to destinations across Europe, Asia, the Middle East, and North America. This includes a diverse range of products such as agricultural commodities, foodstuffs, solid minerals, wooden products, cosmetics, and PET flakes.

## **Technological Innovation**

Our investment in digital tracking systems and real-time cargo monitoring tools ensures transparency and peace of mind for our clients throughout every stage of the shipping process.

## **Support for Nigerian Manufacturers and SMEs**

We have empowered hundreds of local producers and exporters to access international markets, helping them meet global standards through our guidance on packaging, documentation, and compliance.

## **Operational Excellence**

With a team of experienced professionals and strategic logistics systems, we have achieved a 98% on-time delivery rate, reflecting our strong commitment to punctuality and dependability.

## **Recognition and Industry Trust**

VOULTECH KONSULT has become a trusted partner for several multinational shipping lines and government export agencies, earning commendations for reliability, service quality, and integrity.

## **Sustainability and Ethical Trade**

We actively promote eco-friendly and ethical trade practices, ensuring that our operations align with global environmental and social responsibility standards.
